

FISCAL NOTE

SB 2498 - HB 2689

February 4, 2002

SUMMARY OF BILL: Authorizes the Board for Licensing Contractors to establish continuing education requirements for commercial contractors with the classification of BC-B and/or C and contractors with the classification of BC-A with licenses originally issued on or after January 1, 2003.

ESTIMATED FISCAL IMPACT:

Increase State Revenues - Not Significant
Increase State Expenditures - \$25,000 One-Time

Estimate assumes that:

- the Board, through rule, will set an application fee on continuing education courses. State revenues collected from such application fees will not be significant.
- a one-time increase in state expenditures for an educational consultant contract to set standards for the approval of continuing educational courses.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
